TERMS OF RENTAL AGREEMENT: This RENTAL AGREEMENT is between the Owner (LESSOR) and Organization (LESSEE) that will be leasing the site to conduct games of chance. The LESSOR agrees that no game will be directly operated as part of the lessor's business. The LESSOR agrees that the (lessor), (lessor's) spouse, (lessor's) common household members, (management), (management's) spouse, or an employee of the lessor who is in a position to approve or deny a lease may not conduct games at any of the organization's sites and, except for officers and board of directors members who did not approve the lease, may not play games at that site. However, a bar employee may redeem a winning pull tab or bingo card involving a dispensing device and sell raffle tickets or sports pool chances on a board on behalf of an organization. The LESSOR agrees that the lessor's oncall or temporary or permanent employee will not, directly or indirectly, conduct games at the site as an employee of the lessee on the same day the employee is working in the area of the bar where alcoholic beverages are dispensed or consumed. If the LESSEE provides the Lessor with a temporary loan of funds for redeeming pull tabs or bingo cards, or both, involving a dispensing device, the Lessor agrees to repay the entire loan immediately when the lessee discontinues using the device at the site. The LESSOR agrees not to interfere with or attempt to influence the lessee's selection of games, determination of prizes, including a bingo jackpot prize, or disbursement of net proceeds. The LESSOR agrees not to loan money to, provide gaming equipment to, or count drop box cash for the lessee. At the LESSOR'S option, the lessee agrees that this rental agreement may be automatically terminated if the lessee's gaming license is suspended at this site for more than fourteen days or revoked. North Dakota Administrative Code § 99-01.3-03-04 (Restrictions and requirements)

18. If an organization conducts twenty-one, it may pay monthly rent for more than one table provided that, for each additional table, the table is used at least thirteen times a quarter. This level of activity is based on a site's historical experience, or seasonal activity, of each of the previous four quarters, regardless of which organization conducted twenty-one at the site. For a new site or a site that has been completely remodeled in appearance and function, the level of activity must be reviewed and or reestablished after the first full quarter. If an additional table is used at least thirteen times in at least one but not all of the previous four quarters, the allowable monthly rent for that table must be prorated over all the active months of the licensing year. For example, if a second table was used at least thirteen times in only two of the previous four quarters, the additional monthly rent for the second table would be a maximum of two hundred dollars per month (or three hundred dollars per month if a wager greater than five dollars is accepted on the table) multiplied by six months (totaling one thousand two hundred dollars) and prorated to one hundred dollars per month for the licensing year.
